

Pennyrile Forest State Resort Park

National Public Lands Day

Pennyrile Forest State Resort Park is a beautiful gem of the Kentucky State Park System. But like all precious stones, it could use a little polishing. National Public Lands Day is a day where people who use public lands show their support by volunteering for the day to help beautify a piece of public land (city, state, or federal) that they enjoy using. For National Public Lands Day Pennyrile Forest State Resort Park plans to have volunteers help park staff to spruce up the park. Volunteers will be in teams doing trail maintenance, beach clean-up, litter pick-up, painting, and garden maintenance. The event will take place September 29-30, 2006

Pennyrile Forest State Resort Park also needs your help monetarily. Sponsorship money will be used to buy supplies that are necessary to complete the work (e.g. rakes, shovels, mulch, paint, plants etc.) The money will also be used to take care of the volunteers while they are here. We plan to provide the volunteers with breakfast on September, coolers with water, as well as a volunteer t-shirt.

Level of Sponsorship

Gold: \$500 Logo will be placed on a permanent sign in the beach area that will say "Thank you for helping to keep our park beautiful! A special thank you to those who sponsored and volunteered for National Public Lands Day". Logo will appear on back of t-shirt and signs will be posted during the event to show who sponsored the event. Gold level sponsor may also set-up a booth at the beach pavilion during the event.

Silver: \$250 Logo will be placed on t-shirts and signs posted during the event.

Bronze: \$100 Logo will be placed on t-shirts.

The number of t-shirts ordered will depend on the number of volunteers.

Donations can be monetary or supplies needed.

The park reserves the right to refuse sponsorship to any business deemed inappropriate.
